

DCA Pending Work

1. **"Skip to Main Menu"** should work correctly.
2. The **Accessibility Option** should function properly.
3. The **Search Bar** needs to work properly as it is currently non-functional.
4. The **Logo in the header** should change dynamically in the background.
5. **Banners** get stuck at a place and do not move backward after moving forward. This needs to be fixed.
6. **Ministers' hierarchy** should be correct, and the **social media icons** below them should have the correct colors as expected.
7. The **Latest News** section needs to work properly. Currently, the text goes below and disappears unexpectedly.
8. Whenever a **website link** is provided, it doesn't work. It needs to accept short strings and function correctly.
9. The **Important Links section** should be replaced with the following links: NTH, BIS, e-Daakhil, NCCF, NCDRC, Price Monitoring System, Anumati, Consumer Welfare Fund, NCH, Jago Grahak Jago (<https://jagograhakjago.gov.in/>).
10. A **Videos Page** should be created to display videos.
11. A **Social Media Page** should be created, and its link should be placed in the Media section of the header under **Social Media** as a static page.
12. The **Banner Module** is not functioning and needs to be fixed.
13. The **Ken Burns effect** in the banner should be replaced with "Jago Grahak Jago," and "Department of Consumer Affairs" should move across the banner.
14. Replace the **Podcast** section with a **Rap Song**, and when the **View All** button is tapped, it should work properly.
15. In the header, the **Menu and its sub-menus** with PDF/Website links should work. Currently, pressing these links opens the page, but the side links do not function properly.
16. **Table and paragraph data** do not display correctly on the page when updated, and this issue exists on many pages.
17. The **Footer** is not being created.
18. The default page should display the **Hindi language** on page load.
19. A **Feedback Option** should be given at the bottom, similar to the Food & Public Department. When the form is submitted, a **"Thank You So Much for Your Feedback"** popup should appear.
20. The **e-book data** from the current website should be placed in the footer of the new website.
21. **Banners from the current website** should appear on the new website with the correct associated links.
